**ORDER AND FINAL JUDGMENT  
APPROVING CLASS ACTION SETTLEMENT**

This matter is before the Court on Petitioners' Motion for Final Approval of Class Action Settlement (the "Motion") (Dkt. 195).

Having granted Petitioners' motion for preliminary approval of proposed class action settlement and notice on October 22, 2021 (Dkt. 193); having received no objections to the proposed class action settlement from members of the class; having held a fairness hearing on December 15, 2021, to determine whether the proposed Settlement Agreement is fair, reasonable, and adequate (Dkt. 199); and having considered Petitioners'

submissions and arguments, including the Motion, the evidence of record, and applicable authority, the Court orders as follows:

**IT IS HEREBY ORDERED AND ADJUDGED** that the notice plan as set forth in Petitioners' motion for preliminary approval of proposed class action settlement and notice and the terms of the proposed Settlement Agreement was reasonably calculated, under the circumstances, to apprise the certified class of the pendency of this litigation and the terms of the proposed Settlement Agreement, and the rights of class members to object to any part of the proposed Settlement Agreement and to appear (either on their own or through counsel hired at their own expense) at the final approval hearing on December 15, 2021; and

**IT IS FURTHER ORDERED AND ADJUDGED** that the provided notice fully satisfied the requirements of the United States Constitution (including the Due Process Clause), Federal Rule of Civil Procedure 23, and any other applicable law; and

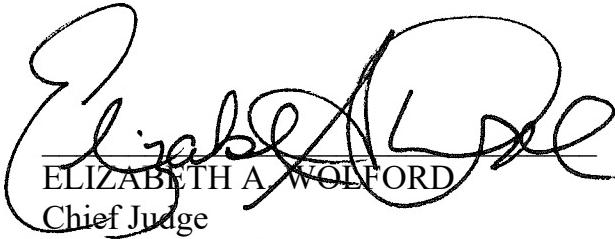

**IT IS FURTHER ORDERED AND ADJUDGED** that the Motion is **GRANTED**; and

**IT IS FURTHER ORDERED AND ADJUDGED** that this Court hereby approves the Settlement Agreement as fair, reasonable, and adequate in light of all the relevant considerations; and

**IT IS FURTHER ORDERED AND ADJUDGED** that this Court retains jurisdiction for the purposes of enabling the parties to apply to this Court for such further orders or guidance as may be necessary for the construction, modification, or enforcement of the Settlement Agreement and this Order and Final Judgment; and

**IT IS FURTHER ORDERED AND ADJUDGED** that the instant action is dismissed with prejudice on the merits and without costs to any party.

SO ORDERED.
